Employees actively cleaning the workshop area

As a part of Swachhata Pakhwada, the MECL Regional Maintenance Complex building, Hingna and campus were cleaned by the employees on 26/06/2016. The complex consists of workshops of MECL.

Everybody assembled in the complex at 9 AM and the cleaning drive went on till 12.00 noon. The enthusiasm in employees for conducting this activity was easily identifiable. It was a grand success
